

GCSE Presentation Evening
2018

THURSDAY 22 NOVEMBER

Guest of Honour

Chris Opie

Chris left Penair in 2002 to further his studies at Truro College, before leaving to concentrate on his cycling career. Building his professional career took dedication, commitment, intense training and competition. Overcoming several obstacles along the way, Chris built his reputation and racked up enough top results to break onto the professional circuit.

Chris has raced across the world and in extreme conditions from the Arctic Circle to the deserts of Libya and Australia. In 2016 Chris won the Ronde van Midden Nederland, the highest accolade on his competition record.

Having made the decision to retire from cycling in May 2018 Chris has now become a media presenter for the Global Cycling Network. He continues to share his twenty years experience with youngsters just breaking into the sport, as well as those more experienced pedalers. He firmly believes that you can achieve anything in life, if you work hard enough for it.
