Dear Parents,

***Re: Hoodies/Sweatshirts and non-school uniform jumpers***

I am writing to you to ask for your continued support with our uniform. We have a clear uniform policy, and we know from one of our suppliers if uniform (Keywear) that all items are in stock. All students are expected to wear the full uniform to school including the school blazer. If they are cold, they can in addition wear the Penair School jumper.

I recently wrote to parents who have children in Years 9-11 regarding hoodies/sweatshirts and non-school uniform jumpers. I am now writing to all parents regarding this matter.

As the weather is becoming colder, we have seen more and more students wearing hoodies and non-school uniform jumpers to school instead of their blazer. These items are not part of our school uniform and students should not bring them onto our site. If a student is wearing a hoodie/sweatshirt or non-school uniform jumper anywhere inside or outside the building they will be confiscated and can be collected at the end of the school day. We will be reminding the students of this on Friday and Monday and will confiscate these items from Tuesday 16 November. Students are of course welcome to wear a proper outdoor coat to school, however hoodies/sweatshirts or non-school uniform jumpers are not an acceptable alternative for school wear.

The vast majority of pupils are attending school and wearing their uniform smartly and with pride. We would like all our children to make this positive choice regarding their uniform and in meeting our expectations to ensure that they are dressed professionally for school. We ask for your continued support to ensure that you check that your children are dressed correctly in full Penair School uniform daily before leaving the house (see overleaf).

Yours sincerely,

**James Davidson**  
Headteacher
