Dear Parent/Carer,

**Re: COVID-19 Update**

I am writing to update you with the latest government guidance.

The Department for Education will shortly publish new guidance for schools. In the interim, they have emailed schools with the following updates:

1. Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school when they no longer have a high temperature and they are well enough to attend.
2. Children and young people under the age of 18 with a positive COVID-19 test should try to stay at home and avoid contact with other people for 3 days (the advice will be 5 days for adults). They can go back to school after the 3 days when they no longer have a high temperature, and they are well enough to attend.

Should you have any questions, please do not hesitate to get in touch.

Yours sincerely,

**James Davidson**  
Headteacher
