Our ref: MFB/nw/Monday 21st November 2022

Dear Parent/Carer,

Penair School will be running Curriculum Enrichment Week (CEW) during the last week of the school year: **Monday 17th July – Friday 21st July 2023.**

All students in Year 8 and 9 will be able to choose from a range of activities that will contribute to personal development in several ways. We would like students to try things that challenge them and we feel that the activities offered will do just that.

The activities and how they will be arranged are described in the CEW booklet which has been sent with this letter via email. You can also find the CEW booklet on our Penair Facebook Page and on the School Website.

Please see link for Penair Website: <https://penair.cornwall.sch.uk/students/curriculum-enrichment-week/>

Please see link for Penair Facebook page: <https://facebook.com/penairschooltruro>

Students will also have an opportunity to look through the CEW booklet during tutor time. There will also be copies of the booklet with both PDLs and SWOs for the year group as well as in The Link, Reception and Student Enquiries.

Please read through the booklet with your children, decide which activities they would like to take part in, and complete the online Microsoft Form:

<https://forms.office.com/r/JKqR2DBmfd>

We ask that you choose three activities and rank them from 1-3, one being your first choice, 3 being your last. Due to the limits on numbers for some activities we cannot guarantee your child will get their first choice, so we ask that each student is happy to engage with any of their three choices. We will, of course endeavor to give each student their first choice but this is not always possible. Please complete the online Microsoft Form by **Friday 2nd December 2022** at the latest.

Once each student has been allocated an activity, we ask that you pay the deposit by **Friday 27th January 2023** and make further payments as outlined in the payment schedule below.

During the spring and summer terms CEW activity leaders will meet with students to outline the week in more detail and discuss clothing, food, and transport arrangements.

We are very excited to be able to run Curriculum Enrichment Week 2023 and hope that students engage with the opportunities offered.

Yours sincerely

Mr Beckett
Curriculum Enrichment Lead
