

Assembly programme at Penair School 2022-23

At Penair School we have an assembly programme that incorporates fortnightly Year group assemblies and weekly Full School assemblies on Wednesday afternoons.

The Year group assemblies are led by the Personal Development Leaders of all year groups. The focus of these assemblies is on recognising pupil successes both in and out of school. Attendance often features in the year group assemblies owing to the high priority that is placed on ensuring that pupils are present in school to access learning and all other opportunities that we have on offer.

The timing for the Year group assemblies are as follows:

Assembly rotations September 2022

		Monday	Tuesday	Wednesday	Thursday	Friday
Week A	KS3			Full School Assembly		Year 8
	KS4		Year 10		Year 11	
Week B	KS3		Year 7			Year 9
	KS4					

Years 7 - 9 assemblies to take place between 1.30pm – 2.00pm

Years 10 and 11 assemblies to take place between 1.00pm – 1.30pm

Year 7 – Miss Russell

Year 8 – Miss Dawson

Year 9 – Mr Edworthy

Year 10 – Mrs Logan

Year 11 – Mr Trivett

The full school assemblies follow a theme of the week that is presented by pupils, staff or co-presented by pupils and staff. Prior to the pandemic all full school assemblies used to take place in the sports hall. However, the rules of social distancing meant that we could no longer have large gatherings of people in the sports hall. As we value the contribution that full school assemblies play in

the lives of pupils and staff we chose to continue to deliver full school assemblies through the medium of Microsoft Teams. In this way full school assemblies are always recorded and pupils and staff watch the assembly at Wednesday afternoon tutorial times overseen by tutors.

The programme for the 2022-23 full school assemblies are as follows:
