

#PERFORM BETTER TOGETHER

You are invited to join us for 4 evenings of collaborative revision with your child as part of our preparation for the summer exams. The evenings will cover how to support your child with revision techniques, subject specific content and how to work collaboratively with them and support each other with managing the pressures of year 11 and the exam seasons (real or trial).

Each session lasts 1hr 30 mins and is followed by a pasty meal. We are also able to offer supervised sporting activities for younger children whilst you and your Y11 child attend the workshop.

Please click the link (or scan the QR code) to register you and your child for the sessions, and to take up one of our sporting activity slots. <https://forms.office.com/e/TZQkwPB3uk>

We look forward to working with you this year.
