Dear Parent/Carer

Year 8 School ambassador

During year 8 students are given the opportunity to be a school ambassador, the ambassadors role is an important role of responsibility. Students are paired with a partner and are stationed at reception for the day, they greet guests, assist teachers and help with day to day tasks as well as serving an important role in our school community.

We find that students benefit greatly from conducting this duty, which has many advantages including the development of self – esteem, leadership and confidence, students will complete a skills workbook on the day which helps them to understand and build employability skills.

Students will be informed of their ambassador day and their teachers will be notified; it is important that they ensure they check class charts for homework set.

Yours Sincerely

Leanne Sherwood
Careers Leader
