Dear Parent/Carer

## **Year 11-Post 16 choices and transition.**

This term Year 11 students will be offered careers advice and guidance appointments to help them make choices regarding their post 16 provision. There will also be a series of assemblies led by local colleges and sixth forms. In the Spring term there will be focused assemblies and talks on apprenticeships. Colleges will be holding open events this term and we will be updating our social media to remind parents/carers of these events. College and sixth form open dates are also listed at the end of this letter. Truro College will be offering a special evening for Penair School parents and students on Tuesday 15<sup>th</sup> October from 5-8pm.

Students will be supported through the college application process by the Careers Leader Mrs L Sherwood and their form tutors. Applications are all conducted online via the institutions website and will be open later this term, students can apply online independently or as part of a supported session at school. Apprenticeship applications will also be supported in Spring term 2025.

We are very keen to work with families to encourage college open day visits and conversations around post 16 choices, students will be bringing college prospectuses home this month to help with these discussions.

If you require any further information on Post 16 options please contact Mrs L Sherwood-  
Careers Leader [lsherwood@penair.cornwall.sch.uk](mailto:lsherwood@penair.cornwall.sch.uk)

Yours Sincerely

Leanne Sherwood  
Careers Leader
